

## Offering Customers Simplicity, Savings and World-Class Service

Origin Express is the Single Source for all of your US furniture shipping and delivery needs. With Origin Express you know that your furniture shipment will arrive at its US destination on-time and in top condition, without the complication of contacting and coordinating with multiple vendors. We provide a Single Price and manage All the details for you. And we have over 50 years of experience delivering furniture to millions of satisfied customers.

- One Price - This all-inclusive rate covers everything from breaking down the container to delivering it to multiple destinations, and virtually everything in-between.
- Lower inventory and facility overhead costs for you.
- Improved transit times and service to your customers.
- Less Touching - Using a single shipping and delivery provider eliminates touching.
- Customized Handling - Once your cargo arrives at our warehouse, we can handle it based on your needs.
- One on-line source for tracking your shipment - no matter how many destinations.
- New Market Opportunities - Regardless of your current location and market within the US, our 17 local warehouse locations will allow you to serve new customers.

## Origin Express

One Container, One Price....  
Endless Destinations

We provide a comprehensive per cube/seat/piece rate that includes all ocean, domestic, transportation and handling costs.
